EC CERTIFICATE OF CONFORMITY

2174-CPD-99/91/EC 191-12

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, Ordinance no. 20 of 18.08.2010 laying down measures for the uniform implementation of EU legislation harmonizing conditions for the marketing of products and the Government Decision no. 622/2004 with subsequent amendments establishing the conditions for marketing of construction products it has been stated that the construction product

EXPANDED POLYSTYRENE (EPS) EPS STYROFOAM TYPE F120

EPS –EN 13163-T2-CS(10)100-DLT(1)5-WL(T)3 WD(V)5
Reaction to fire: B-s2,d0,

EPS STYROFOAM TYPE F120 is a thermal insulation board made of Styropor expandable polystyrene containing uniformly distributed flame retardant, use for the thermal insulation of buildings placed on the market by

FIMA D.O.O. MIONICA Fabrika izolacionog materijala i ambalaže
Serbia, Toplicki put br. 5, 14242 Mionica
and produced in the factory

FIMA D.O.O. MIONICA Fabrika izolacionog materijala i ambalaže
Serbia, Toplicki put br. 5, 14242 Mionica

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body CERTIND has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

EN 13163:2008

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 27.04.2012 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

BUCURESTI, 27.04.2012

GENERAL MANAGER
Eng. Dumitru Radut

This certificate remains valid until 27.04.2015 under the condition of annual visa

The certification body reserves the right to suspend, withdraw or annul the present certificate if, during surveillance audits and/or appeal of the notification authority for certification bodies/ market surveillance authority, it is found that the conditions from the initial certification are not maintained.
